

# The Swainswick Newsletter

*Welcome to The Swainswick Newsletter. We will be sending these out every two weeks to share the amazing things that are happening at our school. This will evolve over time but might include what has been happening in each class and will include any important information that you will need to be aware of.*

## A message from me

*This is the final Swainswick Newsletter of the year! I wanted to say a huge thankyou to you all for a very supportive Autumn Term, and I look forward to seeing you all in January.*

*Merry Christmas and Happy New Year!*

## Nativity

We had two fantastic performances this year in Swainswick Church. It was so special to have everyone together as a school community. Thankyou to all the parents, staff and children that made this a very magical occasion.

### A budding your author!

Everett from Hazel Class has raised £35 for the school by creating his own comic books. He based them on Captain Underpants, where he used the characters, but changed the storylines to come up with his own hilarious plots.

The one I read was about an alien attack on a school where all the toilets came to life! Very funny indeed.

Well done, and a huge thank you for all your hard work.

### Cyber Security

Avon and Somerset Police are running a **free cybersecurity workshop** just for parents at school and we'd love for you to join! With children spending more time online, it's important for us to know how to keep them safe. The session aims to look at what the current online concerns are, how they can be mitigated at home using both technical and non-technical measures and then how to become more cyber aware.
